## About the Cover

Daniel Badoza's, "Sunset at Mount Tronador, Bariloche, Argentina, and Pseudoexfoliation", won Best in Show in the Ophthalmic Photographers' Society Exhibit at the ASCRS/ASOA Annual Symposium, which was held in San Francisco from April 12-16, 2003.

Bariloche is a small town near the Andes Mountains, in the Southwest of Argentina.

Pseudoexfoliation was photographed at 40x magnification.
